The youngest was a long time at the baby's hospital, almost beyond hopes of recovery, now at three years old, is a strong healthy and very interesting child. She seems a recommendation for the institution.

Mr. and Mrs. D. J. Worley had for Christmas their son Alfred and their daughter Mrs. A. Cleland with her husband and four children all of Toledo, Alfred J. Mr. Cleland and his son Arthur returned to Toledo Sunday evening. Mrs. Cleland and daughters, Lela, Lola and Hazel remained until Wednesday evening. The youngest was a long time at the baby's hospital, almost beyond hopes of recovery, now at three years old, is a strong healthy and very interesting child. She seems a recommendation for the institution.

**JUDGE APPRECIATED.**  
Mr. W. H. Standish who was the judge of Holstein-Friesian cattle at the Pan-American International Exposition at San Francisco is in receipt of a letter from Mr. D. O. Livey, Chief of the Department of Live Stock at the above exposition in which he says, "It has been my good fortune to be connected with many live stock shows, but in all my experience I have never known the judges to come so near giving satisfaction to all the exhibitors as you and your confederates at San Francisco. The exposition naturally set a very high standard in the selection of judges and the fact that you measured up to that standard is a source of much gratification to the exposition and to this department."

Mr. Standish also expresses his personal thanks to Mr. Standish for the work done and for his courtesy to the exhibitors.

Mr. Standish will give a type demonstration of the Holstein-Friesian breed at the Michigan State Agricultural College at East Lansing, January 18th and 19th.

He has also been asked to act as judge of this breed of cattle in Alberta, Canada, at all the Fairs in that province.

**JUVENILE COURT.**  
The Juvenile Court which for the past ten years has been presided over by the Judge of the Probate Court, F. A. Barber has been transferred to the Judge of the Court of Common Pleas and Judge Wolf will be the judge of the court.

The effect Monday of this week and henceforth all business of the Juvenile Court of Fulton county will be under the direction of Judge F. H. Wolf.

One of the features of the law governing this court is that the interests of the child coming into this court should be a dependent consideration and in consequence publicity is avoided. This court is established to help the child in the development of good character and to give those children who have fallen upon untoward circumstances a fair chance. In many instances children are made wards of the court until they arrive to legal age and this court exercises a supervision of them. Fulton county has a number of these wards and there is plenty of business for the court.

The Mother's Pension law is also administered by this court.

**LATE COURT NEWS.**  
Not much will be left of findings of the grand jury for the petit jury, which meets next Monday, to dispose of the cases on the docket. Up to Thursday morning, four of the seven indictments returned by the grand jury had been taken care of.

W. H. Seward charged with non-support was taken by the sheriff to the county jail, in Toledo Tuesday and arraigned before Judge Wolf Wednesday morning, pled not guilty, and was released on \$1000 bond.

Mr. and Mrs. Robert G. Wells, who were married at Toledo, Ohio, last week, are now in Toledo, Ohio, where they are attending to business.

**CARD OF THANKS.**  
We wish to express our heartfelt thanks to all who so kindly assisted us during the illness and death of our dear husband and father John G. Wells. To the ministers for their comforting words. The singers for their beautiful songs. The donors of the beautiful flowers.

Mrs. John G. Wells,  
Ray M. Wells,  
Mr. and Mrs. Robert G. Wells.

**DODGE BROS. AND THEIR CAR.**  
by Geo. Harrington Phelps.  
I believe in Dodge Brothers Motor Cars. I have owned one for over three years and I know the finest thoughts of those two master builders whose name it bears.

I believe in this car because I know the strength of the motor, the exterior of the car, the expression of honesty and integrity in material form. I know that bound up in every polished gear are those qualities which manifest themselves in all great achievements.

In offering Dodge Brothers Motor Car I know that I am offering a car that is made of iron and
